Dear Jonathan,

Our March 15th quarterly meeting was a resounding success, due entirely to your engaging presentation concerning the status of mediation in the Maryland Judiciary. You gave us a clear overview of the mediation programs in Maryland at the District, Circuit and Appellate Court levels. Mediators were very interested to hear about the way in which mediations are structured in various counties around the state. We now have a good overview of MACRO's projects and your aspirations as the new director. Your warm personality and special brand of humor resulted in a lively discussion and very enjoyable program. On behalf of the Board of Directors of the Maryland Council for Dispute Resolution, we wish to express our gratitude to you for presenting an excellent, informative program.

Sincerely,

Ed Ketchen and Edie Guidice
